

UNIVERSITY OF TORONTO

Greek Students' Association

Dear potential sponsor,

The Greek Students' Association at the University of Toronto is proud to announce that the GSA/HSA's of York, Ryerson, and the University of Toronto have officially won the bid to bring the National Hellenic Student Association Convention to Toronto this spring. The Convention will take place on Friday April 27th until Sunday April 29th 2012. It will be held at the University of Toronto St. George Campus and Ryerson University.

The purpose of this convention is to unite students of Hellenic descent from North American universities and colleges in Toronto. This conference will enable students to engage in academic excellence surrounding the culture of our Diaspora. We are planning to mobilize approximately 200 North American students. Our task is to transport them to Toronto, arrange hotel accommodations, bring in keynote speakers from Toronto, Ottawa, and Greece, arrange panel discussions with the keynote speakers and mentors, and achieve the most successful NHSA convention in history.

In a time where our home country of Greece has suffered its worst economic crisis in history; in a time where Greece's global image has been tarnished; and in a time where Greek citizens have turned on their own country; here in Canada, something different is happening. The Greek university students of Toronto are preparing to unite as many Greek students across North America as possible to promote Hellenism and show our institutions and fellow peers how great it is to be able to call ourselves Greek. We are overlooking the problems of Greece and have set out a goal to bring educated, sophisticated, and professional Hellenes together to develop connections, engage in intellectual discussions, and show how proud we are of our national heritage.

To complete this task, we need YOUR help.

The attached documents outline exactly what the NHSA Convention is, what it's purpose serves to the students of Canada and the United States, how much it will all cost, and why it is beneficial for you to be a part of this momentous occasion being put together by the students of Toronto.

Thank you,

Dimitri Kyriakakis

Kelly Kefalianos

Presidents of the Greek Students' Association at the University of Toronto.
